

MOHD AZIZ ASLAM

Web Developer | AI & Automation Enthusiast

 mohdazizaslami@gmail.com  9540443789  www.linkedin.com/in/mohd-aziz-aslam-b0a480230  github.com/azizaslami36  New Delhi, India

SUMMARY

Motivated and detail-oriented Web Developer with a strong foundation in building responsive web applications and AI-powered solutions. Proficient in Python, Flask, JavaScript, and modern web technologies. Passionate about automation, problem-solving, and developing innovative applications that deliver real-world impact. Eager to contribute technical skills and learn in challenging environments.

EXPERIENCE

Front-end Web Developer

Cut Edge Technology Pvt Ltd

 10/2025 - 11/2025  Gurugram, India

- Developed responsive web applications using HTML, CSS, and JavaScript
- Collaborated with designers to enhance UI/UX and improve user experience
- Implemented website features based on client requirements
- Conducted testing and debugging to ensure performance and functionality
- Optimized websites for responsiveness and cross-browser compatibility

Python Training Intern

CETPA Infotech Pvt Ltd

 06/2024 - 07/2024  Noida, India

- Developed project titled 'Information AI Using Python'
- Gained hands-on experience in Python programming and problem solving
- Implemented automation concepts to improve project efficiency
- Worked on data handling, API integration, and system development

EDUCATION

B.Tech in Computer Science Engineering

Dr A.P.J Abdul Kalam Technical University

 08/2025 - 05/2028  Uttar Pradesh, India

Diploma in Computer Engineering

Delhi Skill and Entrepreneurship University

 08/2023 - 05/2025  Delhi, India

TECHNICAL SKILLS

Python	Flask	JavaScript	HTML	CSS
REST API	AI & Automation		Web Development	
Git & GitHub	Problem Solving		OOP	Data Handling
MySQL (Basic)	JSON	Voice Recognition		JSP (Basic)
Microsoft Word	Microsoft PowerPoint		Microsoft Excel	

KEY ACHIEVEMENTS

-  **Development of AI-Powered Applications**
Built AI-powered applications that automate tasks and provide intelligent interactions, improving user productivity.
-  **Responsive Web Development**
Developed responsive web applications and collaborated with teams to enhance user experience at Cut Edge Technology.

PROJECTS

Pico – AI Voice Assistant

 01/2025 - 03/2025

Developed an AI-powered voice assistant that performs logical and interactive tasks through voice commands.

- Implemented speech recognition and speech synthesis using JavaScript Web Speech API
- Designed a minimal, responsive, and user-friendly UI
- Integrated Python (Flask) backend for task execution such as Wikipedia search, opening websites, and file operations
- Built modular backend architecture for easy feature expansion
- Focused on automation, voice interaction, and efficient command processing

Karshipla Healthcare LLP Website

 10/2025 - 11/2025

Developed a fully responsive, multi-page website for Karshipla Healthcare LLP, converting Figma UI designs into functional web pages.

- Converted Figma designs into responsive HTML, CSS, and JavaScript code
- Implemented key pages including Home, About, Contact, and Product sections
- Built interactive UI elements such as feature sections, icon highlights, and hover animations
- Optimized for mobile and desktop responsiveness

M&T Collection – Personalized Products Website

 01/2024 - 02/2024

Built a personalized product and fashion website focusing on custom mugs and men's fashion wear.

- Developed using HTML, CSS, and JavaScript with responsive design
- Hosted live using GitHub and Netlify
- Implemented clean layout with strong brand identity and product showcase sections

Information AI Using Python

 05/2024 - 06/2024

Developed an intelligent information system using Python as part of internship training at CETPA Infotech.

- Implemented features for search, data retrieval, and automation
- Used Python libraries for data handling and API integration
- Improved system efficiency through automation concepts

CERTIFICATIONS

Python Programming Internship Certificate

CETPA Infotech Pvt Ltd

 06/2024 - 07/2024  Noida, India

Successfully completed internship and training in Python programming, data handling, automation, and project development.

Web Development Internship Certificate

Cut Edge Technology Pvt Ltd

 10/2025 - 11/2025  Gurugram, India

Completed a 1-month internship in Web Development, working on real-time projects and enhancing front-end development skills.
